ICSEC 2023

THE 27TH INTERNATIONAL COMPUTER SCIENCE AND ENGINEERING CONFERENCE

Koh Samui , Surat Thani, Thailand
13 – 15 September, 2023

The International Computer Science and Engineering Conference (ICSEC) is the premier forum for the presentation of researchers, practitioners, and educators to present and discuss the most recent innovations, research, experience, trends and concerns in the field of Computer Science, Computer Engineering, Software Engineering, Information Technology and Emerging Technology.

ICSEC 2023 will be held over two days with special sessions and presentations delivered by researchers from the international communities, including presentations from well-known keynote speakers. All accepted papers will be submitted for inclusion into IEEE Xplore.

Papers related to this conference theme including theories, methodologies, and emerging applications are encouraged. Contributions covering theoretical developments and practical applications, including but not limited to the following technical areas, are invited:

- Artificial Intelligence
- Bioinformatics
- Cloud Computing
- Computer and Internet Application
- Computer Architecture
- Computer Graphics
- Computer Networks
- Computer Vision and Image Processing
- Cryptography and Security
- Data and Knowledge Management
- Data Mining
- Digital Forensics
- Digital Signal Processing
- Distributed Computing and Grid Computing
- Embedded Systems
- Evolutionary Computing
- Fuzzy and Neural Network Systems
- High Performance Computing
- Human Machine Interface
- Information Technology Management
- Intelligent Systems
- Knowledge Discovery
- Knowledge Management
- Machine Intelligence and Applications
- Medical Image Processing
- Mobile Computing
- Natural Language Processing
- Pattern Recognition
- Programming Language
- Quantum Computing
- Robotics and Automation
- Software Engineering
- Semantic Web Ontology
- Simulation and Modeling
- Wireless Networks and Communications
- Computer in Education

PAPER SUBMISSION

Prospective authors are invited to submit original full papers WITHOUT authors' names and affiliations, in English, of 4 – 6 pages in standard IEEE two-column format only, reporting their original work and results, applications, and/or implementation in one or more of the listed areas.

Papers must be submitted online only through the submission system of the conference website.

At least one author of each accepted paper MUST register and present the paper at the conference in order that the paper is to be included in the program. The program will also be submitted for inclusion in the IEEE Xplore. All accepted papers will be submitted for inclusion into IEEE Xplore.

The author should use IEEE manuscript templates. (Microsoft Word: A4)
